

Scrip Program

Frequently Asked Questions

What is Scrip?

"Scrip" is simply another name for "Gift Certificates" or "Gift Cards." If you have ever used a gift certificate or card, then you've used Scrip.

Why should I buy Scrip from the Rock Academy?

These gift cards are sold to you and redeemable at face value, however, the companies sell them to us for various discounts. Thus the business contributes to the school.

Where can I use Scrip?

The stores themselves issue their own Scrip. For example, Macy's Scrip (gift cards) is issued by Macy's and is good only at Macy's. It is the exact same Scrip you would receive if you walked into Macy's and purchased a gift card right in the store.

How do I use Scrip?

Stores treat Scrip just like cash. You just present your Scrip for payment at the register when you check out.

What if I don't use the whole amount of the face value of the Scrip? Will I get change back?

Most stores will give change back (or leave a balance if you are using a debit/gift card) if you do not use the entire amount of Scrip. However, each store has its own change-back policy, so make sure you ask a store representative before you shop if you are not sure. If your purchases are more than the amount of your Scrip, you can pay the difference with any other method convenient to you (i.e. cash, credit card, debit card, etc.).

Is there a limit on the amount of Scrip I can use at any one store?

There is usually no limit on the amount of Scrip you use. Since stores treat Scrip like cash, they will gladly take as much money as you want to spend in their store, regardless of how you spend it.

Can I use Scrip to pay on my store charge card?

It depends on the store. Some stores will allow you to pay off your account. If you are unsure, check the policy of the store where your charge account is before you purchase Scrip.

Are there any geographical restrictions on where I can use Scrip?

There is only a restriction if it is designated as such on your vendor list. Otherwise, store Scrip is good at any location nationwide. That means you can buy Scrip as gifts for all of your long, lost relatives too.

How does using Scrip benefit the Rock Academy?

The Scrip Program provides us with an opportunity to raise funds to:

- Recruit and retain high quality teachers and staff
- Keep the cost of tuition as low as possible
- Continue education and development of the faculty and staff
- Maintain quality academic programs through high-caliber materials such as textbooks, technology, etc.
