Our Vision

Our goal at the After School Program is to assist our Rock families by providing a fun, safe, and Christ-centered environment for students outside of school hours from 2:40–5:30 pm.

What to Expect

Students who are signed up for pre-check are signed in early and have a 30-minute recess period. After which, all our students participate in a 30-minute homework time. Homework time is followed by a snack time, which is provided. We offer a variety of activities that students will rotate through depending on the day. Students will participate in engaging art projects, active games, and more, led by our awesome counselors.* For the safety of our students, a photo ID is required **DAILY** for pick up at our sign-out table at the lobby entrance of the cafeteria.

* Activities/schedules are subject to change
