

AFTER SCHOOL CLUBS

GENERAL INFORMATION

How does it work?

After-school clubs offer students the opportunity to delve into new experiences and activities during the afternoons. Our team members are eager to share their passions and teach skills that extend beyond the traditional classroom environment. To get involved, students need to enroll in our After-School Programs, as these clubs are organized under this programming.

What is the Cost?

Students' FACTS account will be charged for their time in the After School Program, plus their club activity fee. Each club's fee and class times may vary. Please be sure to read each club's information before signing up.

**After School Charge (\$14/hour)
+ activity fee (one time/full class)**
